

The new hoodie is here!

Luso International Fencing has a new hoodie!

If you want to show everyone your love for fencing and the club, or if you want to stay nice and warm during a session or a competition, our hoodie is the right choice for you.

It is made of 80% ringspun cotton and 20% polyester and it has a useful kangaroo pouch pocket. There are two versions of it: child and adult, so you are sure to find the right size for you and your children.

In an effort to keep the price as low as possible and to support local communities, we decided to partner with Tee Tree Group, a local business based in Bourne End. This has allowed us to cut the delivery cost and to keep the price low.

If you get one, you will not only support a local business, but you will also support your club. In fact £2 for each adult hoodie and £5 for each child one will go straight into the club to buy new equipment, pay the coaches and hire bigger venue.

So, what are you waiting for? Get yours today. Send us an email for more details or visit our Facebook page.
